

ArcticFloor 3.0T Standing AC

Air Conditioners • Buy • Rs. 78,000 onwards*

The ArcticFloor Floor Standing Air Conditioner is built for large open areas where wall units are not practical. With a 3-ton capacity, wide-angle air throw and a sleek tower design, it cools halls, offices and retail floors evenly without occupying wall space.

Key Features

- High air throw covering large open areas
- Slim tower footprint - fits any corner
- Auto swing louvres for 360° air distribution
- Auto restart, timer and multiple fan speeds
- Copper condenser with anti-corrosion coating
- Ideal for commercial and retail environments

Specifications
