

AquaPure RO + UV Water Purifier

Water Purifiers • Buy • Rs. 11,500 onwards*

The AquaPure RO + UV Water Purifier removes dissolved impurities, heavy metals, bacteria and viruses, then adds back essential minerals for sweet-tasting water. The transparent tank lets you see clean water at all times, and the smart indicators tell you exactly when each filter needs replacement.

Key Features

- 7-stage purification: RO + UV + UF + TDS control
- Revitalises water with essential minerals
- Smart filter change indicators
- Transparent storage tank with 100% food-grade material
- Works on low water pressure without a pump
- Compact wall mount design
